ITEM NO. 7220-7230
(7260-7270)

ALMA TREADLE FEEDERS

The anti-waste feeder for chickens and hens, 100% Made in Italy

ALMA basica is our new **treadle feeder** in **galvanized sheet**. Available in four capacities (11, 16, 19 and 30 liters), ALMA *basica* is designed to avoid any **waste of feed**: only when the animal gets on the treadle the tilting door opens giving access to the food; inside there is also a special **anti-waste grid** that prevents animals from throwing the feed on the ground. The closed conformation of ALMA *basica* ensures that the food is sheltered from the rain, as well as inaccessible to other **birds, mice or vermin**, thus avoiding the proliferation of dirt and dangerous diseases. Alma *basica* has 12 **weight adjustments** for opening the tilting door: from 300g to 700g for items 7260 and 7270, and from 300g to 1100g for items 7220 and 7230. In the larger models (art. 7220 and 7230) two animals can eat at the same time. ALMA *basica* is partially pre-assembled; the assembly of the supplied components does not require any tools.

TECHNICAL DATA

	Code	Bar code	Weight	Dimensions	Capacity
	7220	8068057261679	4.23 kg	332x224x467 mm	19 L
	7230	8068057261586	5.08 kg	332x224x628 mm	30 L
	7260	8068057261623	3 kg	207x224x471 mm	11 L
	7270	8068057261630	3.53 kg	207x224x597 mm	16 L

Sloping roof

Designed to facilitate the downflow of water from its top and the outflow of condensation that may form inside.

Accessories in plastic material

Hinges for the movement of the tilting door and lid are made of plastic material for a longer life.

Feet

Plastic supporting feet avoid the direct contact of the metal sheet with the ground, thus preventing inevitable oxidations that compromise the life of the feeder.

Rounded anti-drip rim

Prevents the bird from getting hurt while eating and the rain from wetting the food.

Anti-waste grid

Made of plastic material, it prevents the birds from scooping out the feed.

Adjusting cable

It is used to set the weight needed to open the tilting door. Easy to assemble and adjust without the use of tools.

Treadle

Designed to offer the bird a stable and comfortable support.

TECHNICAL CHARACTERISTICS

- **Body** in galvanized sheet
- **Components** in plastic material
- **On Pallet 120x100x233 cm:** 100 pcs. item no. 7260
- **On Pallet 120x80x233 cm:** 70 pcs. item no. 7260
- **On Pallet 120x100x233 cm:** 80 pcs. item no. 7270
- **On Pallet 120x80x233 cm:** 60 pcs. item no. 7270
- **On Pallet 120x100x233 cm:** 70 pcs. item no. 7220
- **On Pallet 120x80x233 cm:** 50 pcs. item no. 7220
- **On Pallet 120x80x233 cm:** 40 pcs. item no. 7230
